4. FNL Registration/ Check-In Procedures
 - Parent check-in was challenging – so many people at once, we ran out of pens/clipboards
 - Checking in students was also challenging – difficult to keep an orderly line, kids checking in with phones and checking in at registration table was hard to keep track of both simultaneously
 - Phone caddies were useful but need to be hung up somehow; make a plan for next time
 - A handful of students not on registration list but parents said they registered; possible did not click “submit” and think you registered; some registered very late/too close to start time
 - Need to follow up with parents of students who were not registered
