Current Business

		<i>Discussion</i>	<i>Action</i>
1	1	Energy Goals Report. The report was reviewed and discussed.	BZ
	2	Pathway to Zero Energy Plan The three areas discussing the pathway to include carbon reduction, sequestration and renewable energy generation. Carbon reduction is split into buildings and transportation. All aspects of Carlisle are included including CCHS (Carlisle appropriation) and state land. This plan requires more work, and community input. It could be added as an Appendix to the main report.	DB
