

Recycling – Scrap Metal

Acceptable:

Comprised of more than 50% metal; all metals, painted or rusted ok, mixed with other materials ok, large or small

Not Acceptable:

Less than 50% metal

How and where to recycle:

If possible, remove other materials combined with the metal. Place in designated area to the left of the Swap Shop (Location 9)

Recycling information:

Carlisle receives revenue from the sale of scrap metal as well as saving the disposal fee.

Items placed in the Swap Shop may be taken by residents.
