

Household Waste

Include these items:

Non-recyclable items only, all items must be less than 4'

Not acceptable:

Recyclable items, hazardous waste items, items larger than 4'

How and where to dispose of household waste:

Deposit in compactor that is currently in use – the household waste compactors are the outside two containers as the center compactor is cardboard only. (Location 12)

Recycling information:

- Carlisle pays for each ton of material disposed of as household waste
- It is illegal to dispose of recyclable items in household waste
