

Recycling - Brush

Acceptable:

Chippable brush, branches, twigs

Not Acceptable:

Leaves, stumps, logs, non-chippable brush, grass clippings

How and where to recycle:

Bring to Transfer Station from December 1 – April 30. Place items on brush pile located off of Morse Road in the DPW yard (follow signs in DPW yard – Location 16).

Recycling information:

Organic waste is not allowed to be deposited in household waste compactor.

The brush pile is chipped by Transfer Station staff resulting in a pile of wood chips, located behind the brush pile. Residents may take wood chips anytime during the year.
