

Recycling – Brush

Include these items:

Chippable brush: branches, small logs, twigs

Not acceptable:

Leaves, stumps, non-chippable brush, grass clippings

How and where to recycle:

Bring to Transfer Station from December 1-April 30. Place items on brush pile located off of Morse Road in the DPW yard (follow signs in DPW yard – Location 16)

Recycling information:

- Organic waste is not allowed to be deposited in household waste compactor.
- The brush pile is chipped by Transfer Station staff resulting in a pile of wood chips, located behind the brush pile. Residents may take wood chips anytime during the year.

Brush for Chipping
