

Recycling – Christmas Trees

Include these items:

Christmas Trees

Not acceptable:

Any other yard waste

How and where to recycle:

Bring to Transfer Station only during January. Place items on brush pile located off of Morse Road in the DPW yard (follow signs in DPW yard – Location 16)

Recycling information:

- Organic waste is not allowed to be deposited in household waste compactor.
- The brush pile is chipped by Transfer Station staff resulting in a pile of wood chips, located behind the brush pile. Residents may take wood chips anytime during the year.

**Brush for chipping
No leaves or stumps
April 1-30 only**

**Christmas Trees
January 1-31 only**

**Residents may take
mulch for household
use all year.**
