Re: Municipal Vulnerability Preparedness FY24 Action Grant for Climate Resilience Best Practices in Land Use Policies, Regulations and Bylaws (a.k.a. "Climate Resilient Carlisle")

Dear Ms. Rowden,

The Town of Carlisle commits to match, at minimum, 25% of the total project cost using cash or in-kind contributions (or a combination of the two) and acknowledges that the funding under this grant will be provided on a reimbursement basis.

The proposed match for this project will be a combination of staff hours and ARPA funds. A request for \$10,000 has been discussed with the ARPA Committee Chair and will be submitted to the ARPA Committee and the Select Board in mid-May, for their review and approval.

All matching funds provided by the Town of Carlisle are in the process of being approved.

Please feel free to email me at rmclane@carlislema.gov if you need additional information.

Sincerely,

Ryan M. McLane
Carlisle Town Administrator
