

# CARLISLE TRAILS COMMITTEE

## Memo

To: Dan Wells, Chair, Conservation Commission  
From: Alan Ankers, Chair, Carlisle Trails Committee  
Re: Support for Fiske Street Dike Repair  
Date: January 10, 2024

At the January 5, 2024 meeting, the Carlisle Trails Committee voted to express their support for your application for CPA grant funding for repair work on the Fiske Street Dike at the Cranberry Bog. This dike/causeway supports a popular and heavily-used trail that forms part of a loop of trails at the Cranberry Bog.

A handwritten signature in blue ink, appearing to read "Alan Ankers", is located below the main text of the memo.
