

CARLISLE TRAILS COMMITTEE

Memo

To: Judy Asarkof, Rhonda Michaud, co-chairs, Land Stewardship Committee
From: Alan Ankers, Chair, Carlisle Trails Committee
Re: Trail mowing
Date: June 3, 2024

I understand that the Land Stewardship Committee is prepared to take on the mowing of some of the trails across fields on Town Conservation Land. We have no objection to this and appreciate any assistance you may be able to provide in trail mowing. We should stay in contact to coordinate who will be mowing which trails.

A handwritten signature in blue ink, appearing to read "Alan Ankers", is located below the main text of the memo.
