

CARLISLE TRAILS COMMITTEE

Memo

To: Carlisle Conservation Commission
From: Alan Ankers, Chair, Carlisle Trails Committee
Re: Elliott Preserve Boardwalk RDA
Date: April 30, 2024

At the April 25 meeting of the Conservation Commission, the Trails Committee presented a Request for Determination (WPA Form 1) related to a proposed boardwalk stream crossing on the Elliott Concord River Preserve property, owned by Sudbury Valley Trustees, off Skelton Road in Carlisle, MA. As recommended by the Conservation Commission, we propose to amend the project narrative by adding the following:

“Mitigation will be provided by planting native non-cultivar shrubs in the small area of abandoned trail where the trail is rerouted – (2) High Bush Blueberry (*Vaccinium corymbosum*) and (2) Sweet Pepper Bush (*Clethra alnifolia*).”
