

# Curve Street / Fiske Street

## Stats

6 Parcels  
21.9 Acres  
~9.1 miles to Littleton MBTA Station

## Why Here?

- Minimized disturbance: pre-existing developed areas
- Minimized clearing for new development: large lawns
- Large structures that could be divided into multi-family
- Lots with multiple structures
- Limited wetlands and wetlands buffers
- Good geology & supportive soils: limited ledge, glacial stratified deposits
- Balance of preservation & development: near Cranberry Bog, Town-owned APR, CRs to the north
- Proximity to alternate mode of transit: Bruce Freeman Rail Trail
