

# Curve Street / Fiske Street

**Stats:**  
6 parcels  
21.9 acres  
~9.1 miles to Littleton MBTA Station

**Why Here?**  
-Minimized disturbance: pre-existing developed areas  
-Minimized clearing for new development: large lawns  
-Large structures that could be divided into multi-family  
-Lots with multiple structures  
-Limited wetlands and wetlands buffers  
-Good geology & supportive soils: limited ledge, glacial stratified deposits  
-Balance of preservation & development: near Cranberry Bog, Town-owned APR, CRs to the north  
-Proximity to alternate mode of transit: Bruce Freeman Rail Trail
