Notes:

- The above mentioned project is sales tax exempt.
- Prices are based on work taking place during the normal paving season of the current year. This estimate is based on the present cost of materials and fuel. Should the cost of either increase due to current market volatility, Lazaro Paving reserves the right to add a surcharge for the amount of any such increase.**
- Escalation Clause: Prices quoted are based on the latest posted MHD prices on liquid asphalt. The base price for this quote is **\$585.00** per ton. Any changes in the price of liquid asphalt will necessitate an extra charge of \$.055 per ton for every \$1.00 per ton increase in the price of liquid asphalt. This quote is based on **ONE** mobilization for preparation and **ONE** mobilization for paving. If additional mobilizations are required to complete the work, there will be a negotiated additional charge. The total thickness of bituminous concrete shall be the average compacted thickness installed. Lazaro Paving is not responsible for puddling or slow moving water when the original grades prior to the start of work were less than the minimum required pitch of 1%, or when paving over existing bituminous concrete, or when installing a top course on top of an existing binder course that was not installed by Lazaro Paving. Police detail, traffic and safety control by others. If necessary, buyer is responsible for notifying city or town officials of work, and paying for fees, permits, inspections etc. Unless specified otherwise, owner is responsible for loaming and seeding of disturbed areas along edges of pavement, berms, curbs, etc. The owner is responsible for notifying tenants and accepts all responsibilities for parked or any towed vehicles. Prior to the commencement of work, all work of others in the area shall be completed to such an extent that it will not impact or interfere with the work of Lazaro Paving. If Lazaro is directed to commence work prior to that such time, the customer agrees to pay for costs incidental to the direction to commence work. This includes, but is not limited to, cost overruns, reduced productivity, and costs of delays. Lazaro Paving will not be responsible for damage to unmarked irrigation systems or utilities or unmarked or buried structures, castings, etc. If, during the course of construction activities, Lazaro Paving is required to travel across existing concrete or asphalt pavements, Lazaro Paving shall not be held liable for damage to such surfaces. Lazaro Paving is not responsible for determining whether proposed work areas are within the owner's boundaries. This proposal is valid for 15 days. Please sign and return one copy.

Payment Terms:

Net cash upon completion of each segment, subject to credit approval. Lazaro Paving Corp. reserves the right to progress bill as necessary, to be prorated based on percentage complete. No retainage to be withheld without written permission of Lazaro Paving Corp. Should the account become delinquent the customer unconditionally promises payment of all expenses related to collection, but not limited to interest and attorney's fees. Invoices greater than 30 days past due will be subject to an interest charge of 1.5% per month.
