

AGENDA

Moderator's Logistics Pre-Meeting In Advance of Special Town Meeting

Thursday, October 16, 2025, at 7:00 pm. Hybrid – Clark Room and Zoom

Purpose: Pre-Meeting to review logistics and procedures for presentations, debate, and voting

Required Participants: Article presenters; representatives of any organized groups requesting consideration for making a presentation

Optional Participants: Open to the public

In the Spring of 2025, the Moderator adopted a practice used successfully in other towns of holding a pre-meeting to set uniform expectations for and answer questions from article presenters, any groups expecting to actively participate in the town meeting, and the public. We will review procedures that will apply generally for the meeting and then do an article-by-article walk-through.
